

HALF TERMLY PLANNING OBJECTIVES (NM/JF/SL)

Date: Spring Term (2) 2018 Urban Pioneers

	19 TH -23rd February 2018	26 th Feb - 2nd March 2018	5th-9 th March 2018	12 th - 16 th March 2018	19 th -23rd March 2018	26 th - 29 th March
Maths	Yr 3/4 Fractions Yr 4/5 fractions Yr 5/6 number, decimals and percentages.	Yr 3/4 Fractions Yr 4/5 fractions Yr 5/6 number, decimals and percentages.	Yr 3/4 Fractions Yr 4/5 fractions Yr 5/6 number, decimals and percentages.	Yr 3/4 Fractions Yr 4/5 fractions Yr 5/6 number, decimals and percentages.	Fractions (yr 3) Decimals (yr 4 and 5) Yr 5 multiplication/division Yr 6 Algebra/ratio	Fractions (yr 3) Decimals (yr 4 and 5) Yr 5 multiplication/division Yr 6 Algebra/ratio
English	Leaflets Write a persuasive leaflet to attract young visitors to visit the town centre.	Free Verse Poetry Use a range of poetic devices to write a poem, using "Last Night I Saw The City Breathing" for inspiration	Autobiographies Write an imagined autobiography based on historical documents from the local area which show what life was like	E-mail to Grandma Using the book "Emil and the Detectives" as a model/ inspiration, write an e-mail to a grandparent describing what you have seen in the city.	Create a city centre sign	Innovate week Write an autobiographical profile about you and your artwork.
Science	Recognise that dark is the absence of light and describe how light behaves. Explore urban lighting	Classify a range of objects as either light sources or light reflectors.	Light and shadow Explore shadows behind a white screen using blocks etc to create a cityscape and explore lengths of shadows at different times of the day	Recognise that light from the sun is damaging for vision and the skin and how we can protect ourselves. Explore the effectiveness of a range of sunglasses	Investigating what affects the size of shadows. Create a fair test.	Consider what they know and don't know about light. Identify one or more investigative questions in order to revisit a learning point that needs reinforcing or a new and unexplained aspect of light.
TOPIC (Hist/Geo)	History - Research the history of their town or city, finding out why it developed, what major events have happened there, when the first settlers arrived, etc	History Research the history of a prominent city centre building.	Geography Use web-based satellite mapping to explore patterns in light density. What does it show us?	Geography Use a range of sources to explore the urban make-up of Berlin	Geography Make a map or plan to design an amazing communal area for a fantasy city centre.	History Predict future changes to their town/city based on what they have learned from key moments in its past
Art & Design	Take photos from unusual viewpoints	Explore a range of urban art	Explore "Light Graffiti"	Detailed pencil sketches of statues and monuments	Projecting black and white graffiti images onto a blank wall using Berlin Wall graffiti for inspiration	Create an exclusive piece of 'collaborative art' for where you live
R.E.	Easter- Betrayal and trust	Easter- Betrayal and trust	Easter- Betrayal and trust	Easter- Betrayal and trust	Easter- Betrayal and trust	Easter- Betrayal and trust
Music	Soundscapes Music for winter	Northern lights by Ola Gjeilo	Create instruments using glass bottles, bells, wind chimes, triangle and own voice.	Create instruments using glass bottles, bells, wind chimes, triangle and own voice.	Create a sound track that captures the beauty of the Northern lights	
P.E.	Dance (for Allendale Dance Festival)	Dance (for Allendale Dance Festival)	Dance (for Allendale Dance Festival)	Dance (for Allendale Dance Festival)	Dance (for Allendale Dance Festival)	Dance (for Allendale Dance Festival)
PSHE	Strategies for dealing with stressful situations	How does the city environment affect people's lives?	Empathy with lives of people in local history	Health awareness: Protection from sun's rays	Consider lives of others, sharing in community (see geog.)	Teamwork (roles within a team) see History
French	Refer to 'Golden Daffodils' scheme	Refer to 'Golden Daffodils' scheme	Refer to 'Golden Daffodils' scheme	Refer to 'Golden Daffodils' scheme	Refer to 'Golden Daffodils' scheme	Refer to 'Golden Daffodils' scheme
ICT	Publish persuasive leaflet	Research in history and art	Use of ICT to explore web-based satellite mapping	Exploring urban characteristics of Berlin Understanding e-mails (English)	Maps online as inspiration for a communal city centre space	Use software to create a city centre sign
Other activities	20 th Feb Mining workshop @ Henshaw PM KS1 Golf	SIP visit World book day	KS2 golf - 9 th March	Science week KS2 golf - 16 th March Netball Tournament 16 th March PM		Parent Forum 27 th March - Allendale Dance Festival 28 th March - Easter Service @ Greenhead 2pm 29 th March - Easter Fair

This planning may change due to the children's interests, learning needs and creative partnership workshops.
