Anti-Bullying Policy

Our Identity.....

‘God doesn’t want us to be shy with his gifts, but bold and loving and sensible’ 2 Timothy 1:7

Our Vision..... Inspire, Support, Believe, Achieve

Our Mission.....

Our values-based schools nurture curiosity and creativity through an inspiring, broad and engaging curriculum, where learning is at the heart of all that we do. Our children learn to become resilient and self-assured in an environment where safety is paramount. Everyone is challenged and encouraged to thrive and achieve as individuals, preparing them for their role as caring and active citizens in modern Britain.

The Federation is committed to the personal development of all involved and aim to provide life-long learning.

We aim to provide extended facilities in both our schools in order to support each child on their learning journey.

Introduction

The school has a commitment to ensuring pupils’ safety, health, economic well-being, enjoyment, excellence and participation in the community is promoted as an effective anti bullying culture. The school has a clear discipline & behaviour policy, which helps to both reduce incidences of bullying and also identify clear strategies for disciplining children who are responsible for bullying. The Discipline & Behaviour Policy should therefore be used in conjunction with this policy when addressing any issue relating to bullying.

Bullying is ‘persistent and often premeditated action taken by one or more children, with the deliberate intention of either physically or emotionally hurting another child.’

Aims and objectives

Bullying is wrong and damages individual children. We therefore do all that we can to prevent it. This is primarily achieved through the development of a school ethos in which bullying is regarded as totally unacceptable.

As a church school we aim to produce a safe and secure environment where all pupils can learn without anxiety and where relationships are based on the commandment to 'love your neighbour as you love yourself.'

This policy aims to produce a consistent attitude and response towards bullying from all members of the school community.

We aim to make all those connected with the school aware of our opposition to bullying, and we make clear each person's responsibilities with regard to the whole issues of bullying.

We promote a culture where all adults and children are valued and treated with respect.

The role of Governors

The Governing body supports the Executive Headteacher in the employment of anti bullying strategies.

This policy statement makes it very clear that the governing body does not condone any form of bullying in the community of our schools, and that any incidents of bullying that do occur are taken very seriously and dealt with appropriately.

The Governors require the Executive Headteacher to keep accurate records of any incidents of bullying, particularly those that are racially motivated, together with the action taken.

The Executive Headteacher retains responsibility for reviewing the effectiveness of anti bullying strategies and together with the Governors, reviews this policy on an annual basis.

Where a parent is unhappy with the action taken by the Executive Headteacher in response to a bullying incident, they have the right to make a formal complaint to the governing body. The Governing body should respond to any formal complaint within ten days and must notify the Executive Headteacher of the need to conduct an investigation into the case and to report back to a representative of the governing body.

The role of the Executive Headteacher

It is the responsibility of the Executive Headteacher to implement the school anti-bullying strategy and to ensure that **all staff** are aware of the school policy and know how to deal with incidents of bullying.

The Executive Headteacher has the primary responsibility for ensuring that children know that bullying is wrong, and that it will not be tolerated in school. This is undertaken in a variety of ways, including through whole school assemblies, RE / PSHCE lessons and when dealing with specific incidences of inappropriate behaviour.

The Executive Headteacher has specific responsibility for developing a school climate of mutual support and praise, thus making bullying less likely. When children feel they are important and belong to a friendly and welcoming school, bullying is far less likely to be part of their behaviour.

Informal communications between staff and with parents are undertaken immediately a bullying issue arises. Where appropriate this is shared with other members of staff at Wednesday staff meetings and ways of addressing individual problems are discussed.

The role of all Staff members

We have a collective responsibility for discouraging and responding to any incidences of bullying.

If members of staff witness an act of bullying, they support the children involved following discipline and behaviour procedures and involving the Executive Headteacher, or Head of School in the Executive Headteacher's absence, to provide support or appropriate sanctions. This is mainly achieved through 1:1 counselling.

All staff must follow the agreed Discipline & Behaviour policy when disciplining children for bullying. This includes making a written record of the circumstances associated with any incidence on the yellow or red discipline letters. These are subsequently shared with the parents of both the perpetrator and the victim of any bullying.

Any continued or subsequent issue of individual bullying by a child is dealt with in line with our D&B and SEN policies.

Teachers support all children in their class and to establish a climate of trust and respect for all. By praising, rewarding and celebrating the success of all children, we aim to prevent bullying from occurring.

The role of Parents

Parents have a responsibility to support the school's anti-bullying policy and to actively encourage their child to be a positive member of the school community.

Parents who are concerned that their child might be being bullied, or who suspect that their child may be the perpetrator of bullying, should contact their child's class teacher immediately.

We expect parents to share the responsibility in encouraging their children to be a positive member of the school.

Monitoring and review:

The effectiveness of our anti-bullying strategies are monitored by the Executive Headteacher on an ongoing basis and written reports are submitted to the governing body identifying behaviour issues on a regular basis.
