Our main focus is on Miss Root, the new dentist, and the impression of her that we get as we read about her actions and the way in which the previous dentist died.</p> <p>For some people this will be a sensitive topic. If this applies to you, you may want to do the lesson with an adult. We will look closely at the author's choice of language and characterisation.</p> <p><a href="https://classroom.thenational.academy/lessons/to-analyse-characters-cmu3gd">https://classroom.thenational.academy/lessons/to-analyse-characters-cmu3gd</a></p>	<p>To answer questions on the text (Part 2)</p> <p>In this lesson, we will read the beginning of chapter 13 (Impro!), retrieving and inferring information from the text in order to answer questions.
